

MD MAHFUZ HOSSAIN

Full-Stack Developer | MERN Stack | Next.js Developer

mdmahfuzhossain278@gmail.com | [Portfolio](#) | [Github](#) | [Linkedin](#) | +880 1621-961907 | Dhaka, Bangladesh

PROFESSIONAL SUMMARY

Full-Stack Developer specializing in MERN Stack and Next.js, with a strong foundation in computer science and a proven ability to architect, build, and deploy production-ready web applications. Deep expertise in React.js, Node.js, Express.js, and MongoDB, combined with a competitive programming background of 300+ solved problems and ICPC participation.

TECHNICAL SKILLS

Frontend: React.js, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS, Bootstrap, Redux,

Backend Development :Node.js, Express.js, NestJS, RESTful API Design, Socket.IO

Database: MongoDB, Mongoose ODM , MySQL

Programming Languages: JavaScript, TypeScript, C, C++, Python , Java

Tools & Platforms: Git, GitHub, Firebase, Vercel, Netlify, VS Code, Chrome DevTools

Core Competencies: Data Structures & Algorithms (500+ Problems Solved), Object-Oriented Programming (OOP), System Design Basics

DevOps & Workflow : Docker, CI/CD Pipelines, Agile Scrum Methodology, Cloud Deployment Concepts KEY

KEY PROJECTS

Hire Wave Hiring Agency | [Live](#)

- React.js, Tailwind CSS, React Router, Firebase Auth, Node.js, Express.js, MongoDB, Mongoose, Socket.IO.
- Built a full-stack hiring platform using MERN stack with JWT authentication and role-based dashboards, supporting 100+ concurrent users.
- Implemented real-time messaging and interview communication features using Socket.IO and ZegoCloud.
- Built secure authentication and authorization systems using Firebase Authentication and protected routes.
- Developed scalable RESTful APIs and backend services using Node.js, Express.js, MongoDB, and Mongoose.

Legal Lawyer | [Live](#)

2024

- React.js, Tailwind CSS, React Router, Firebase Auth, Node.js, Express.js, MongoDB, Mongoose, Socket.IO,
- Built a full-stack legal service platform supporting user registration, appointment booking, and secure payment.
- Integrated SSLCommerz payment gateway with payment history tracking functionality.
- Developed lawyer dashboards with CRUD operations for managing legal posts and services.
- Implemented advanced search and filtering functionality to improve user experience and accessibility.

LEADERSHIP

President, Computer Society, World University of Bangladesh | 2026 - Present

Secretary of Competitive Programming , Computer Society,World University of Bangladesh | 2024 - 2025

COMPETITIVE PROGRAMMING

- Solved 300+ Data Structures and Algorithms problems across beecrowd, Codeforces, and HackerRank.
- ICPC Participant — represented university at the International Collegiate Programming Contest.

EDUCATION

B.Sc. in Computer Science & Engineering | World University of Bangladesh

2024 – Present

CERTIFICATIONS

- Programming Hero Certified Full-Stack Web Developer — Programming Hero (2023)
- ICPC Certificate — International Collegiate Programming Contest (2025)
